FELDZIEG

That was Jane Roberts as the bride. She was the Oops Girl. Remember? Surely you remember the Oops Girl? Don't you people read? She was billed as the girl who's sexual energy was so great that it caused the men around her to have accidents: spill their drinks, drive their cars into trees. And she would go "Oops" Well, I'm not really doing it justice, but people ate it up. She made a whole series of films; "Oops", "The Oops Girl", "Oops Girl Come Home", and "Oops Girl at Sea", which won an Oscar for **special effects**
